Israel-Lebanon ceasefire goes into effect

The 10-day ceasefire between Israel and Hezbollah removes a major hurdle to ending the U.S.-Iran war, after Tehran insisted any truce with Washington must also hold in Lebanon

ISRAEL-HEZBOLLAH CONFLICT *(Mar 2 - Apr 17)*

- At least **2,196** people killed in Lebanon and **1.2 million** forced from their homes, according to Lebanese health ministry
- **Two** Israeli civilians killed by Hezbollah attacks, while **13** Israeli soldiers died in combat in Lebanon, Israeli authorities say
