Could UK reverse Brexit?

Embattled Prime Minister Starmer will likely face a leadership challenge from former Health Secretary *Wes Streeting* (right) – a politician who has openly decried Brexit as a "catastrophic mistake" and who would champion its reversal

PUBLIC SUPPORT FOR REJOINING EU

(%, by party allegiance during 2024 UK general election)

*Spectre of Reform's **Nigel Farage** – emboldened by recent council election victories – becoming prime minister is giving EU reason to be cautious*

Today: 22% of leave voters now say they would rejoin EU

EU has mooted "Farage clause" that would compensate it should UK decide to reject Europe once again
