History of the FIFA World Cup trophy

The original trophy survived World War II after being hidden beneath a bed by Italian official Ottorino Barassi, only to be stolen ahead of the 1966 World Cup before being famously discovered by a dog named Pickles

JULES RIMET TROPHY: 1930-1970

▼ Designed by French sculptor ***Abel Lafleur,*** named after pioneering FIFA president. Gold-plated sterling silver, depicts ***Nike***, Greek goddess of victory

Brazil claims trophy outright in 1970, winning third title

◆ Trophy stolen again in 1983, and believed melted down. ***Brazil Football Association*** has replica made

FIFA WORLD CUP TROPHY: 1974-present

◀ Designed by Italian sculptor ***Silvio Gazzaniga,*** chosen from 53 submitted entries. Stands 36cm tall, 18-carat solid gold with two bands of malachite

West Germany become first team to lift new trophy, beating Netherlands

◆ Trophy remains in FIFA's possession – it can no longer be won outright. Winners receive gold-plated replica

◆ **Either *Lionel Scaloni (inset)* or *Didier Deschamps* could become only second coach to lift trophy twice**
