Russian troops threaten Kostiantynivka

Russian troops have infiltrated the Ukrainian city of Kostiantynivka, a strategically important location seen as a gateway for Moscow to seize the remainder of the Donbas region

Russian control before Feb 24, 2022
Russian line of control, Jan 1, 2026
Russian control and advances to Jun 21, 2026

Jun 22, Kostiantynivka
Russian troops infiltrate city as they attempt to surround it. Ukrainian soldiers report that entire city is now effectively in "grey zone", no longer controlled by anyone
