King Charles declares annual tax bill of £12.9m

King Charles III has paid over £30 million in taxes since his accession to the throne in 2022 – voluntarily as the British monarch is exempt. However, royal wealth and earnings remain largely opaque

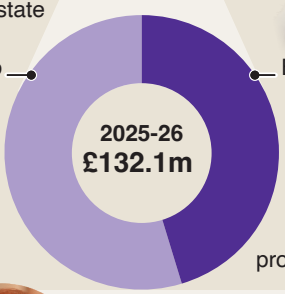

KING CHARLES III ESTIMATED WEALTH

INCOME

Sovereign Grant
Annual income from Crown Estate revenue

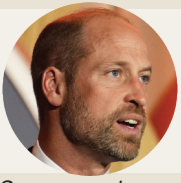

2024-25 £86.3m

Undeclared
Earnings from property and investments

Duchy of Lancaster **2024-25 £24.4m**

2023-24 £11.7m

PRINCE WILLIAM
Receives no money from public funds but owns 55,000 hectares of land in Cornwall and elsewhere worth estimated £1bn

Duchy of Cornwall income **£23.5m**

2023-24 £8.34m

Seven members of Royal family carry out official duties, paid by Sovereign Grant

**Birthright of the reigning monarch and therefore unsellable*
