2027 Giro d'Italia

MAY 8-30

*Mountain stages will prove decisive, with brutal double ascent of **Mortirolo** before riders tackle legendary **Monte Zoncolan** on penultimate stage, notching over 50,000m of altitude gain*

The 110th edition of the Giro d'Italia starts in Trieste, before briefly crossing into Slovenia. The race features two individual time trials and a series of punishing mountain stages before finishing in Rome for the fifth consecutive year
