

Boeing soars as Airbus falters

European aircraft maker Airbus, caught in a storm of bad publicity after reporting production problems with its flagship A380 model, has lost its lead in aircraft orders to U.S. rival Boeing. Airbus had previously beaten Boeing for orders every year since 2001

Aircraft shown to scale

Boeing 787 Dreamliner: Passengers – 250-300.
Range: 15,370km. **Orders to date: 360**

Airbus A350:
Passengers – 253-300. Range: Up to 16,300km. **Orders: 110**

Airbus A380: World's largest airliner, Passengers – 555-853
Range: 15,000km. **Orders: 159**
